| 2011-present 2021-present | Rehaplus Education Center, IBITA basic course Instructor College professor |

Scientific specialization

| | |
|--|--|
| | Theoretical medicine, Health sciences, Clinical Medicine Postural control |
|--|--|

Languages spoken

| | |
|--|--|
| | English advanced (C1) professional language German intermediate (C), Hungarian native |
|--|--|

Taught courses

| | |
|--|--|
| | Neurological Physiotherapy lecture 1,2 Neurological Physiotherapy practice 1,2 PNF practice 1,2 The basics of scientific research Motor control and learning |
|--|--|

Other teaching and practical activities

| | |
|--|--|
| | Thesis writing mentor and opponent Scientific student group mentoring |
|--|--|

2007-2011 Semmelweis University, Budapest, Faculty of Health Sciences, Physiotherapy program in English, part time lecturer

Instructing of postgradual courses (120 hours/course), in Hungarian and English abroad

2011 IBITA Basic Bobath Course Varasdinske Toplice Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2011 IBITA Basic Bobath Course Krakow Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2012 IBITA Basic Bobath Course Budapest Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2013 IBITA Basic Bobath Course Krakow Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2014 IBITA Basic Bobath Course Varasdinske Toplice Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2014 IBITA Basic Bobath Course Krakow Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2015 IBITA Basic Bobath Course Budapest Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2015 IBITA Basic Bobath Course Krakow Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2016 IBITA Basic Bobath Course Krakow Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2018 IBITA Basic Bobath Course Wroclaw Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept

2019 IBITA Basic Bobath Course Wroclaw Assessment and treatment of adults with Hemiparesis and other neurological diseases; the Bobath Concept
